

# NOTICE OF PUBLIC WORKSHOP

## BY THE ORANGE COUNTY PLANNING COMMISSION

---

---

**SUBJECT:** Musick Jail Master Plan

**DESCRIPTION:** The proposed project consists of revisions to the already approved expansion and operation of the Musick Jail. The previously approved project included an increase to a maximum of 7,584 inmates from the current population of approximately 1,250. The population of the 7,584 inmates represents a "worst case" scenario. The proposed expansion is anticipated to be phased over time with a variety of inmate population levels occurring over the project buildout. Related support structures will also be constructed. The project also includes booking and release of inmates, the construction of a warehouse, kitchen, laundry and central plant, and parking structures and surface lots. Finally, the Southeast Sheriff's station and Interim Care facility are proposed to be located on the site.

**LOCATION:** The Musick Jail is located at 13502 Musick Drive on County unincorporated land surrounded by the City of Irvine, in the third Supervisorial District.

**ENVIRONMENTAL DOCUMENTATION:** Supplement to Final Environmental Impact Report (Final EIR) No. 564 for Musick Jail.

**PREVIOUS ACTIONS:** Board of Supervisors approved the Musick Jail Master Plan and certified EIR No. 447 in November, 1986; Expansion of the facility and the associated environmental document, Final EIR No. 564, were approved and certified by the Board of Supervisors in 1998.

**WORKSHOP DATE:** September 26, 2012

**TIME:** 1:30 P. M. (Or as soon as possible thereafter)
